**ISSUE:**

Approval of an agreement with J-U-B Engineers, Inc. for the North Central EDA Intersection Concept Design & Cost Estimate.

**SYNOPSIS:**

This is a professional services contract with J-U-B Engineers, Inc. to provide a conceptual design and cost estimate for the construction of intersection modifications at 2400 South/Bangerter Hwy, SR-201 South Frontage Rd/Bangerter Hwy, SR-201 Eastbound on-ramp/Bangerter Hwy and 2400 South/Links Drive.

**BACKGROUND:**

The Redevelopment Agency staff has identified a grant available through the US Department of Commerce for infrastructure improvements in economic development areas. West Valley City is the only entity in the Salt Lake valley qualified to apply for this grant. The intersections listed above were identified as needing major improvements in order to accommodate existing as well as anticipated traffic growth in the area due to development.

J-U-B Engineers will identify what improvements will improve existing traffic congestion as well as serve future growth. They will provide a conceptual design for the improvements and a cost estimate that will be included in the grant application.

J-U-B will be paid an amount not to exceed \$45,000.00 as compensation for these services.

**RECOMMENDATION:**

Approve contract with J-U-B Engineers, Inc.
